

## UNIT 10 : BE AWARE, TAKE CARE! LET'S LISTEN

Based on the above conversation, match the phrase in List A to the suitable phrase in List B.

List A
People who walk along
Jaywalking often results
Pedestrian bridges and sky bridges
These bridges have

List B
in serious injury or at times death.
lights, walls, roofs, and other safety features.
are built for pedestrians to cross roads safely.
or cross roads illegally are called jaywalkers.

Based on the above conversation, state 'Yes' or 'No'.

1. Pedestrian bridges are built for people to cross safely.
2. Jaywalkers adhere to road safety rules.
3. There is only one type of bridge built over busy roads.
4. Jaywalkers can be seriously injured if they attempt to cross roads illegally.
