

LET'S PRACTISE!

1. Read the text and answer the questions

This is Charlie. He is 9 years old. He is in class 4. He is very happy: he's got a new friend at school. Her name is Claire. She is in class 4, too. She likes Maths and History but she doesn't like sports. Charlie likes Maths, too, and his favourite sports are tennis and rugby. He plays rugby on Tuesdays and Fridays after school. He doesn't play tennis but he loves watching it on TV.

On Saturdays Charlie doesn't go to school. He sometimes goes to the club and plays a rugby match. But Charlie loves rainy Saturdays: he can stay at home and play computer games or watch films with his friends.

Next Saturday he is going to invite Claire to the club because he is going to play a rugby match and then he is going to have a party at the club. He wants to dance with Claire!

Look! Today is Monday and Charlie and Claire are waiting for the school bus.

1. What sports does Charlie play?

2. Does Claire like sports?

3. Charlie always goes to the club on Saturdays. YES NO

4. What is Charlie going to do next Saturday?

5. Charlie wants Claire to go to the party on Saturday. YES NO

2. Complete with the words in the box. Be careful! There's an extra word.
