

Our Beautiful Places

Read the texts

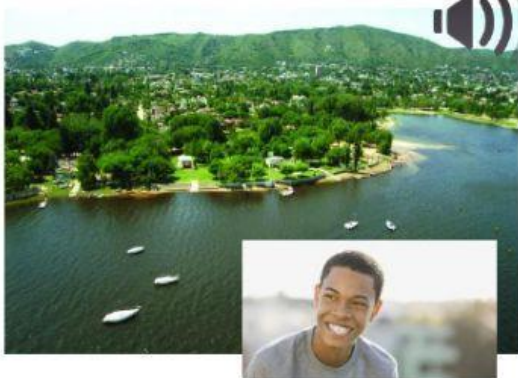

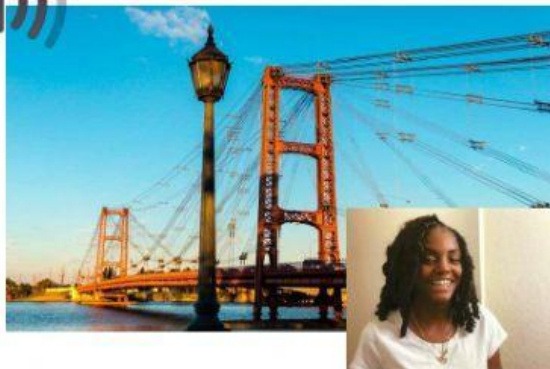

1) Rafaela, Santa Fe, Arg. (population 108.000)

Hi! I'm Sofía and I'm 15 years old. I live in Rafaela. On the left, there is a picture of it. It is a small city. It's not really a fantastic place, but it's interesting. There are some parks. The city centre is not big, there are some shops, restaurants and cafés. There is a museum too! My favourite place is the library. There isn't any lake or mountain, but I love my city!

2) Santa Fe, Santa Fe, Arg. (population 522.200)

Hello! My name is Carla and I'm 20 years old. This is my city, Santa Fe. It is the province of Sofia's city, Rafaela. This is a large city. It is very busy, there are lots of people. There is a famous university - UNL. There are some interesting places near Santa Fe - the River Paraná. On the right, there is a picture with a famous bridge of Santa Fe. It's a fantastic place!

3) Carlos Paz, Córdoba, Arg. (population 62.000)

Hello, I'm Marcos and I'm from Carlos Paz. I'm 16 years old. I love where I live. Carlos Paz is a famous city because it's in the mountains. It's very big. My favourite place is a beautiful beach called "Mayu sumaj" which is very popular. It is a quiet place. There aren't any banks near the beach. Come and visit me!
