## Our Adventure Blog *by Lily, Josh and Ravi*

In this adventure, Josh travels to the <sup>1</sup> future. We watch a  
<sup>2</sup> fiction programme on TV. It's late and <sup>3</sup> goes  
to sleep, but Josh is <sup>4</sup> about Sci-Fi City. An <sup>5</sup> visits  
Josh in his <sup>6</sup> . He gives Josh the <sup>7</sup> to the spaceship.  
In the future, <sup>8</sup> will do all the chores. The next morning, Josh tells us all  
about his <sup>9</sup> . We think Josh watches too much <sup>10</sup> !
