

To the market

Financial advice

shop around	
go on a shopping spree	
stick to a budget	
run out of cash	
extortionate	
break even	
go bankrupt	
make ends meet	
money is tight	
fall into debt	
put something away	

save an amount of money

go to several shops before deciding what to buy

to be in a situation where you owe money that you didn't intend to be in

just enough money to buy the things that you need

use up all of the money that you have

follow a plan of how much money can be spent

when a person or business officially admits that they have no money and cannot pay what they owe have

much higher price than is reasonable

neither make a profit nor lose money

when there is just enough money but no more than that

spend a short period of time buying lots of things or spending money
