Do you want to dance?

Hi! I'm Rachel and I love dancing. I go to a local dance club with my friends Marc, Kelly and Tom. We meet every Friday evening. We dance to all kinds of different music, but our favourite is hip hop. At the moment we're preparing for a dance competition. It's a big competition for dance clubs from all over the country. We're really looking forward to it! When we're not at the dance club, we practise at Kelly's house or in the park. We also use the Internet to learn new dance moves. There are lots of great websites that give free online lessons.
