### **THERE TO BE** - Present

Usamos o "there to be" para indicar a existência de pessoas, situações e objetos. Tem o mesmo significado que o verbo "haver" (ou "ter" no sentido de existir), em Português. Todavia, em Inglês, não se pode utilizar o verbo "to have" para indicar existência. O verbo "to have", que significa "ter", indica apenas posse ou uma obrigação quando for um verbo modal (modal verb).

#### THERE TO BE - Present

**THERE IS:** há, existe - É usado com substantivos no singular.

**THERE ARE:** há, existem - É usado com substantivos no plural.
