

Try Everyting

Oh, oh, oh, oh, oh x4

I messed up tonight I lost another fight
I still mess up but I'll just start again
I keep falling I keep on hitting the ground
I always get up now to see what's next

Birds don't just fly they fall down and get up
Nobody learns without getting it

I won't give up no I won't give in
Till I reach the end and then I'll start again
No I won't leave I wanna try
I wanna try even though I could fail
I won't give up no I won't give in
Till I reach the end then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail

Look how you've come You filled your
Baby you've done enough take a deep breath
Don't beat yourself up don't need to so fast
Sometimes we come but we did our best

with love

I won't give up no I won't give in
Till I reach the end and then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could
I won't give up no I won't give in
Till I reach the end then I'll start again
No I won't leave I wanna try everything
I wanna try even though I could fail

I'll keep on making those new
I'll keep on making them every day
Those new mistakes

Oh, oh, oh, oh, oh
Try everything x4
