I sail the seas with pirates

I sail the seas with pirates
To find a chest of gold.
I follow a white rabbit
Down a long, black hole.
I buy some magic beans
And watch a tree grow.
I hide from a witch
In a land of ice and snow.

I fly a magic carpet
Across the desert sand.
And then I fly a dragon
In a faraway land.
I have a new adventure
Each time I read a book.
So if you like adventures,
Come and have a look!
