

I sail the seas with pirates

I sail the seas with pirates
 To find a chest of gold.
 I follow a white rabbit
 Down a long, black hole.
 I buy some magic beans
 And watch a tree grow.
 I hide from a witch
 In a land of ice and snow.

I fly a magic carpet
 Across the desert sand.
 And then I fly a dragon
 In a faraway land.
 I have a new adventure
 Each time I read a book.
 So if you like adventures,
 Come and have a look!
