**C Animal carers**

Jessie is a whippet that visits very sick children in hospital. She shows them her love and gives the children a chance to exercise. When they feel down, Jessie makes them happy. Jessie helps patients like young Lukas Parks to stay strong during their time in hospital.

There are many different kinds of animals that help people. We train 'service dogs' to help people with physical disabilities. The best known service dogs are guides for the blind. But four-legged friends perform other roles too. They can learn to open and close doors, turn lights on and off, pick up objects from the floor and even pull wheelchairs.
