They go by car and stop at the traffic signals. A colorful bird sits on the car. It is so cute and when the car starts, it flies away.

There are many birds flying about the buildings. On the way, they see a puppy running across the road and it is barking.

They arrived at the zoo and they buy some ticket to enter it. They start the tour. There is a bear resting under a big tree and there are some monkeys on the tree. They are eating bananas. There is also a colorful peacock, it is next to a lake. There are 3 ducks swimming in the lake.

Moreover, they see some lions running in a big field between trees, they are playing and roaring. There is a giraffe in a barnyard, it is eating some leaves from a tree.
