In my free time I love to go **basketball / tennis / dancing** with my friends. We have lots of fun!

I don't go **beach volleyball / rollerblading / baseball** with my sister. She says it's great, but I think it's difficult. We play **surfing / taekwondo / tennis** together and I usually win!

I go **cycling / camping / swimming** at the weekends in the countryside or in the park. It's very good for me and I have a great bike. At school we play **skateboarding / skiing / basketball** every Tuesday.

I don't play **dancing / baseball / rock climbing**. My brother plays it with his class. He says it's fun!
