Rosie's Family

My family is not very big. I have one baby brother and no sisters. We live with our parents, my grandma and our dog Flocky. My mother is 38 years old. She is a very kind and happy woman. She is short, a little fat, and she has long hair. She works at a supermarket. My father is 42. He is a very funny and honest man. He works as a mechanic with my uncle Carlos, his younger brother. My younger brother is sweet so I love playing with him. My grandma is only 59 years old. She's a really good cook and her chocolate cake is the best in the world. Her hair is grey and short. Flocky is our pet dog. He's small and noisy. Finally, I am Rosie. I'm 14 years old. I'm short and thin. I am a bit quiet, but friendly.

2. Ordene el texto según la descripción, luego dibuje a Carmen.

To conclude, for all these reasons and more, my mom is the best.

My mom is an interesting woman, and she's beautiful inside and out.

My mom's name is Carmen and she's 37 years old. She is from Zaruma, but now she lives in Cuenca with me and my brothers. She is a tall and thin woman. Her hair is long and brown. She's very **creative** and funny. I love her smile and the way she helps people with their problems. My mom works at a hospital, she is a great **nurse**.
