BAD HABITS by Ed Sheeran

Every time you come around
You know I can't say no
Every time the sun goes down
I let you take control
I can feel the paradise
Before my world implodes
And tonight had something wonderful

Every pure intention ends
When the good times start
Falling over everything
To reach the first time spark
Started under neon lights then it all got dark
I only know how to go too far

My bad habits lead
To late nights ending alone
Conversations with a stranger
I barely know
Swearing this will be the last
But it probably won't
I got nothing left to lose, or use, or do

My bad habits lead
To late nights ending alone
Conversations with a stranger
I barely know
Swearing this will be the last
But it probably won't
I got nothing left to lose, or use, or do

We took the long way round
And burned till the fun ran out, now...

My bad habits lead
To late nights ending alone
Conversations with a stranger
I barely know
Swearing this will be the last
But it probably won't
I got nothing left to lose, or use, or do

My bad habits lead
To wide eyes stare into space
And I know I lose control
Of the things that I say
I was looking for a way out
Now I can't escape
Nothing happens after two
It's true, it's true

My bad habits lead
To wide eyes stare into space
And I know I lose control
Of the things that I say
I was looking for a way out
Now I can't escape
Nothing happens after two
It's true, it's true
My bad habits lead to you
My bad habits lead to you
My bad habits lead to you

My bad habits lead
To wide eyes stare into space
And I know I lose control
Of the things that I say
I was looking for a way out
Now I can't escape
Nothing happens after two
It's true, it's true
My bad habits lead to you
My bad habits lead to you
My bad habits lead to you

My bad habits lead to you
My bad habits lead to you
My bad habits lead to you
