

Grammar

The grammar in the box are not in the correct order. Rearrange the adjectives correctly and fill in the blanks. Cluster 1-5.1.6

Long ago, there lived (1) a boy named Ma Liang.

He liked to draw pictures. One night, Ma Liang dreamt that an old man with a (2) _____ hat gave him a magic paintbrush and told him to use it to help the poor.

When Ma Liang woke up, he found the magic paintbrush on his (3) _____ desk. From that day on, he used the paintbrush whenever poor people needed help. When the people needed water, he then drew a (4) _____ river and the river came to life. When he saw farmers working under the (5) _____ sun, he drew food for them. They were grateful to Ma Liang.

Soon, the (6) _____ man in the village knew about the magic paintbrush. He sent his servants to steal the paintbrush from Ma Liang. Once he got the magic paintbrush, he drew a (7) _____ ship and a (8) _____ pouch. However, none of them came to life for him.

poor Chinese	square wooden	tall pointed black
large brown leather	huge wooden sailing
