

See You Again - Wiz Khalifa ft Charlie Puth

Listen to the song, complete using first conditional (2 and 4),
match beginnings with endings (6-22),
and choose the correct term (23-25)

<https://youtu.be/RgKAFK5djSk>

1. It's been a long day, without you my friend
2. And I _____ (tell) you all about it **when** I _____ (see) you again
3. We've come a long way, from where we began
4. Oh, I _____ (tell) you all about it **when** I _____ (see) you again
5. When I see you again

6. Damn, who knew,
7. Good things
8. That I'll be standing right here
9. About another path, I know we loved
10. But something told me
11. Had to switch up, look at things different
12. Those were the days
13. Now I'll see you

14. How could we not talk about family
15. Everything I went through,
16. And now you gonna be

all the planes we flew
hard work forever pays
in a better place
see the bigger picture
talking to you
that it wouldn't last
to hit the road and laugh
we've been through
when family is all that we got?
with me for the last ride
you were standing there by my side

Repeat 1-5
Oh, oh, oh, oh...
Ooh, ooh, ooh...

17. First you both go out your way
18. And what's small turns to a friendship,
19. And that bond will never be broken,
20. And when brotherhood come first,
21. Established it on our own
22. And that line is what we reached

a friendship turned to a bond
and the love will never get lost
and the vibe is feeling strong
so remember me when I'm gone!
then the line will never be crossed
when that line had to be drawn

Repeat 14-16

23. Let the light guide your *day stay way*
24. Yeah, hold every memory as you *flow go low*
25. And every road you take will always lead you *home foam Rome*

Repeat 1-5
