READING

This is my mum. She works in a bank. Every day she gets up at seven o'clock. She has breakfast with dad and me. We have bread, cheese and yogurt.

In the morning she helps me with my homework. After lunch she goes to work by bus. In the bank she's got a photo of dad and me on her desk and a big computer on her desk.

She goes home at six o'clock and we all have dinner together at eight o'clock.

My dad is a vet. He works at the local zoo. He looks after the animals. He says: "My favourite animals are the monkeys. At the moment we have thirty monkeys at the zoo. They're very cute."

My dad gets up at seven o'clock, gets dressed, has breakfast and goes to work by car.

At the zoo, first, he feeds the crocodiles, they eat meat and then he feeds the monkeys, they eat a lot of fruits.

He goes home at seven o'clock. I see my dad in the evening.
