

# YELLOW

\*Coldplay

Look at the stars, look how they shine for you  
do / and / you / everything

yeah they were all yellow

I c\_\_\_\_\_ along  
I w\_\_\_\_\_ a song for you  
And all the things you do  
And it was c\_\_\_\_\_ yellow

So then I t\_\_\_\_\_ my turn  
Oh what a thing to have done  
And it w\_\_\_\_\_ all yellow

	Turn into something beautiful
	You know I love you so
	Your skin
	You know you know I love you so
	Oh yeah your skin and bones

I s\_\_\_\_\_ across  
I j\_\_\_\_\_ across for you, oh what a thing to do  
'Cause you were all yellow  
I d\_\_\_\_\_ a line  
I d\_\_\_\_\_ a line for you  
Oh what a thing to do  
And it w\_\_\_\_\_ all yellow

	Oh yeah your skin and bones
	For you I'd bleed myself dry, for you I'd bleed myself dry
	Something beautiful
	And you know
	Your skin
	Turn into

It's true  
Look how they shine for you, look how they shine for you, look how they shine for  
Look how they shine for you, look how they shine for you, look how they shine

Look at the stars, look how they shine for you  
things / all / and / the / you / that / do
