"I knew you were trouble" by Taylor Swift.

1 – LISTEN ANS Write the Past Tense of the verbs in brackets;

2 –Listen to the song and CHOOSE the correct words and Unscramble the chorus.

Once upon time
A few mistakes ago
I _____(be) in your sights
You _____(get) me alone
You _____(find) me (3x)

I guess you _____(not care)
And I guess I _____(like) that
And when I _____(fall) hard
You _____(take) a step back
Without me, without me, without me

And he's long **gone / alone**
When he's next to **me / see**
And I realize the blame is on me

(   ) So shame on me now
(   ) _____(fly) me to places I'd never been
(   ) Cause I_____(know) you _____(be) trouble when you _____(walk) in
(   ) I _____(know) you _____(be) trouble when you _____(walk) in
(   ) Till you _____(put) me down oh
(   ) So shame on me now
(   ) _____(fly) me to places I'd never been
(   ) Oh, oh, trouble, trouble, trouble (2x)
(   ) Now I'm lying on the cold hard ground

No apologies
He'll never see you **cry / lie**
Pretend he doesn't know
That he's the reason **why / tie**
You're drowning, you're drowning, you're drowning

And I _____(hear) you _____(move) on
From whispers on the street
A new notch in your belt
Is all I'll ever be
And now I see, now I see, now I see
He _____(be) long gone
When he _____(meet) me
And I realize the joke is on me

REPEAT CHORUS

And the saddest fear comes creeping in
That you never _____(love) me or her or anyone or anything
Yeah

REPEAT CHORUS
