Is this the longest gap year ever?

When Martin Stokes and his girlfriend Anna left university, they decided to take a gap year and go travelling. That was five years ago, and they've

- 1) been travelling ever since! They have 2) been to over twenty countries and they have plans to visit at least ten more before they stop. 'We haven't visited India 3) yet,' says Anna. 'I really want to go there.' So far, they 4) have funded their trip by doing casual work when they can. 'Sometimes we work,' says Martin, 'and sometimes people give 5) us food and shelter for free. People are incredibly kind. Once in the United States we didn't have enough money to buy our train tickets, so someone bought them 6) us! They both agree that this is the best experience they have 7) had. 'I know some of our friends 8) have been working since they left college, but we think this experience is just as valuable as working. Maybe our friends have been earning money 9) the last five years, but we've been living!'
