READING:

1 Read the story, then write *True* or *False*.

Last week I read an interesting story about an alien. He could do fantastic things! He could fly like a bird. He could jump 200 kilometres into the air. He could run fast and people couldn't see him move. But there were some things that the alien couldn't do. The alien couldn't swim because he lived on a planet without the sea or swimming pools. He couldn't play the piano, he couldn't speak English and he couldn't write. I liked that story. I thought about all the things that I can do but that the alien couldn't do.
