My lunchbox by Tyler Edwards

I don't usually have school dinners so I take a lunchbox to school every day. In my lunchbox I often have a bag of crisps or maybe a small bag of 1 _____ - I think these are better for you. There's always some fruit too - maybe a nice red 2 _____.

I always have two big 3 _____ - my mum makes them with white or brown bread, and she usually puts some 4 _____ in them like chicken, or perhaps some nice cheese, or some healthy green 5 _____. At our school we can't have 6 _____ like cola, so I always take some apple 7 _____. We can drink 8 _____ too.

When I get home every day, I wash my lunchbox. Then it's time for dinner. We always have a hot meal - perhaps some Italian 9 _____ with vegetables or a big pizza.
