

PROBLEMS OF MODERN SCHOOL

1. Match the words to their meaning:

rote learning

to make someone more likely to do something, or to make something more likely to happen

to be awarded

a typical quality or an important part of something

features

to consider or remember something when judging a situation

encourage

learning something in order to be able to repeat it from memory, rather than in order to understand it

take into account

to be given a prize or an amount of money following an official decision

2. What are the problems of modern school in your opinion?

While watching:

Watch the video and mark the answers as T or F:

1. Main aim of the school has been to prepare workers.
2. At school you are awarded for your creativity.
3. Child's life is totally controlled.
4. At school the thing which is important is your knowledge, not your marks.
5. At school your interests and features are taken into account.
6. Children are encouraged to use different resources.
