

My Embarrassing Moment

In the morning, my mom got the cooking to make breakfast for her children. She made fried rice and noodle and put it on the table but She forgot to wake me up. Unfortunately, I saw my clock. I was very shocked that I woke up late. It was at 07:00 a.m.

I went hurry to take bath and wearing my uniform. My father shouted "let's go dear!" from his car, he would deliver me to my school. I was very scared that I would late to come in.

What I had thought was right. I came late. Fortunately, the gate had not shut yet. So I could enter to the class. I was so hurry. But on that day, I felt so weird. I didn't realize that there was someone in the parking area laugh at me. What an embarrassing day, I wore a wrong uniform. I should wear Scouts-uniform but I wore a blue-white school uniform. In my mind that day was Wednesday, but I forgot that day was Tuesday.
