

DATING

TIM

- My first date was with a beautiful red-haired woman called **Gina**. She has got long straight hair with a fringe. She's tall and thin. The problem was that she's too unfriendly.
- My second date was **Kim**. She's got short wavy hair and brown eyes. She's really friendly, but too shy.
- My third date was **Melissa**. She's medium height and a bit overweight. She hasn't got curly hair. She's got short blonde hair and blue eyes. She's friendly, funny and talkative. I think I'm going to go out with her again.
