

## FOLLOW YOU

Imagine Dragons

You know I got your \_\_\_\_\_, number all night  
I'm always on your team, I got your \_\_\_\_\_ alright  
Taking those, taking those losses if it treats you \_\_\_\_\_  
I want to put you into the \_\_\_\_\_  
If the \_\_\_\_\_ would only know what you've been holding back  
\_\_\_\_\_ every night  
Oh, you know it's not right

CHORUS:

|                            |                         |
|----------------------------|-------------------------|
| I will follow you way down | to your deepest low     |
| I'll follow you way down   | I'll follow you         |
| I'll always be around      | wherever you may go     |
| You know                   | wherever life takes you |

\_\_\_ You're only disappointed in yourself, alright  
\_\_\_ If the world would only know what you've been holding back  
\_\_\_ Oh, you know it's not right  
\_\_\_ Taking those, taking those losses if it treats you right  
\_\_\_ Call you up, you've been cryin', cryin' all night  
\_\_\_ I wanna take you into the sunlight  
\_\_\_ Heart attacks every night

[CHORUS]

Wherever life takes you, you know I'll follow you

You're not the type to give herself enough \_\_\_\_\_  
She live her life, \_\_\_\_\_ in a tight glove  
I wish that I could \_\_\_\_\_ it, I could fix it for you  
But instead I'll be right here comin' \_\_\_\_\_

[CHORUS]

Wherever life takes you, you know I'll follow you
