Dear Future Me,

How are you? I'm writing to tell you about my traditional Christmas and this year's celebration.

Every year, I _____ (wake) up early and _____ (have) breakfast with my family. After that, my mother usually _____ (cook) typical food: "vittel tone" or "lengua a la vinagreta", and my sister and I _____ (help) her. My father _____ (love - cook) roasted meat but at Christmas he _____ (not like) it. We _____ (have) a light lunch and in the afternoon, we _____ (get) ready for the celebration and _____ (make) decorations. We often _____ (wear) fancy new clothes. In the evening, my whole family _____ (come) home and we _____ (have) dinner. At midnight, we _____ (make) a toast and _____ (watch) the fireworks. Santa Claus always _____ (appear) on the roof of my house and he _____ (give) presents to the little ones in the family.

This year, it's a little bit different. As we are in quarantine, my family _____ (not coming) home. My mother _____ (cook) typical food and my sister and I _____ (help) too. We _____ (wear) fancy new clothes. This time, Santa Claus _____ (not give) present from the roof. At the moment, we _____ (listen) to music and _____ (have) a good time.

What is your Christmas celebration like in 2080?

I look forward to seeing you,

Bye for now!
