

- The image contains two rows of objects for measurement. The top row features six stop signs on poles of different heights, arranged from left to right: short, medium-short, medium, medium-short, tall, and medium. Each stop sign is red with the word 'STOP' in black. Below each stop sign is a small, empty square box for recording the measurement. The bottom row features six unicycles of different heights, also arranged from left to right: short, medium-short, medium, medium-short, tall, and medium. Each unicycle has a black seat and a single wheel. Below each unicycle is a small, empty square box for recording the measurement.
