C. Anna wants to make a cake. She has some of the things but what else does she need?  
Look at the list of ingredients and write them down on the shopping list.

The illustration shows a girl with blonde hair in a red hooded jacket. To her right are ingredients: a blue bag labeled 'FLOUR', two brown eggs, and a bar of chocolate. Below the ingredients is a white notepad titled 'Chocolate cake' with a list of ingredients. To the right of the notepad is a yellow spiral-bound notebook titled 'Shopping list' with five numbered lines. Red arrows point from the ingredients to the shopping list: one from the flour bag to line 1, one from the eggs to line 2, and one from the chocolate bar to line 3.
