Smart kids

do a project

teach

draw

wake up

1 What are Anna and Greg doing? Listen and read. 

Hey, Greg.
What's that?

It's my
crystal ball.

Really? What
can it do?

I can see what
you did yesterday.

That's silly.
Let me see!

Did you wake up
at 10 yesterday?

Yes... I did.

And did you
do your project
on Egypt?

Yes...

I like the pyramids you drew!

And did your
brother teach you
how to play a
computer game?

Yes. How
do you
know
everything?

Tony? Were you
here before?

Ummm... yeah.

Tony told you!
Oh, you guys.
