READ THE TEXT. ARE THE SENTENCES TRUE (T) OR FALSE (F)?

Neil Alden Armstrong was born on August 5, 1930, in Ohio, USA. He got a degree in aeronautical engineering and a master's degree in aerospace engineering. Armstrong worked as a test pilot for several years, and then he became a member of the astronaut corps. He went to space for the first time in March 1966 aboard the Gemini. In July of 1969, Neil Armstrong was the commander of Apollo 11. On July 20, 1969, Commander Armstrong and his fellow astronaut Buzz Aldrin touched down on the lunar surface. Armstrong was the first person to touch the Moon's surface. He spoke the unforgettable phrase: "That's one small step for man, one giant leap for mankind."
