**I.   Read the following text and answer the questions using the structure of the Present Continuous.**

My little brother

Look at my little brother. His name is Paul. He is only five but he likes to sit at the computer. He isn't sleeping now. He is sitting at the computer and he is pressing the buttons of the keyboard. Paul is trying to open the game which he likes most of all. I think that he likes the computer because he sits a lot at it. Paul likes to draw animals. He is not drawing them now. He has twenty pictures of them. He shows them to all our guests. He knows all the letters and he tries to read. Look! He is reading now.
