Trip to the Zoo

Last weekend, I went to the zoo with my family.
We had a good time.
We fed the animals.
I learned that zebras are herbivores.
That means they only eat plants.
We fed the zebras grass and leaves.
I learned that tigers are carnivores.
That means they only eat meat.
We fed the tigers meat.
It was fun and exciting.
Did you have a good time with your family?

Giraffes are herbivores. They only eat plants. They like to eat the leaves from tall trees. That is why they have a long neck.

Tigers are carnivores. They only eat meat. That is why they have sharp teeth.
