

1. Read the text about Arun's family and do the activities.

# Extended families

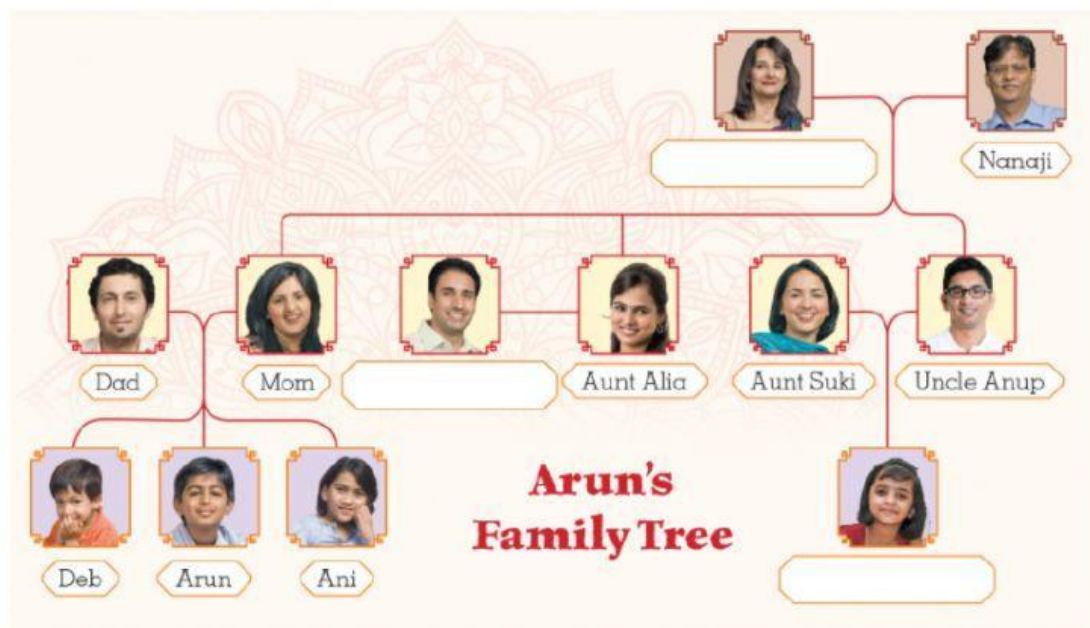

How many people live in your home? There are twelve people in Arun's home! Arun is from India. He lives with his extended family. An extended family is more than parents, brothers and sisters. It also includes aunts, uncles, cousins and grandparents.

Arun loves his large family. His grandparents tell him stories at night. Everyone shares the chores. And there is always someone to play with!

Arun's family tree shows his extended family. How are they related?

2. Read and write the names in the family tree.
