## Taylor Swift - The Story Of Us

1. Match the words with their meaning!

elkerül spark lucky fejezet zsúfolt spot empty üres crowded sors fate szerencsés chapter idegesen úgy tesz, mintha nervously avoid büszkeség pride csend pretend szikra silence hely

2. Listen to the song and fill in the gaps!

I used to think one day we'd tell the story of us

How we met and the \_\_\_\_\_\_ flew instantly

People would say, "they're the lucky ones"

I used to know my \_\_\_\_\_ was a spot next to you

Now I \_\_\_\_\_ the room for an empty seat

'Cause lately I don't even know what page you're on

	e complication
	nications lead to fall out
So many _	that I wish you knew
So many wa	alls up I can't break through
	alone in a crowded room
And we	and I to know
	you like me yeah
I don't know	what to say since the twist of fate
When it all I	broke down, and the story of us
Looks a lot	like a tragedy now next
How'd we e	end up this way?
See me ner	rvously pulling at my clothes
And trying t	o look busy
And you	your best to avoid me
I	to think one day I'll tell the story of us
How I was I	losing my mind when I saw you here
But you hel	d your pride like you should have held me
Oh. I'm sca	red to see the ending
o., ooa	this is nothing?
	this is nothing:
Why	this is nothing? miss you but I don't know how
