LISTENING AND SPEAKING

A *Listen to your science teacher carry out a classroom activity. Listen again and sequence the steps.*

Steps	Sequence
Hold the bottles firmly and carefully pull out the cardboard.	
Pour a few drops of ink into the bottle with the warm water.	
Do not let the tops slide apart or the water run out.	
Put the square cardboard over the top of the bottle with coloured water.	
Hold the bottles firmly and then turn them the other way up.	
Fill one bottle with cold water and the other with warm water.	
Hold the cardboard with one hand and turn the bottle over with the other hand.	
You have created a water volcano.	
Put the bottle with coloured water exactly on top of the other bottle	

B *Listen to the text again. State whether the sentences are* True *or* False.
