22nd April – It's Earth day! Go green!
Be kinder to the environment!

1. **Watch the video and then answer the questions.** https://www.youtube.com/watch?v=dk8zDjQT0aE

How many continents are there on the Earth?

How many oceans are there?

About how many people live on the Earth? (billion means „milliárd" in Hungarian!)

billion.

2. **Listen to the song! Which is the biggest continent? Put them in the correct order. Start with the biggest!**

North America	1
South America	2
Africa	3
Antarctica	4
Australia (Oceania)	5
Europe	6
Asia	7

LIVEWORKSHEETS

3. How do people celebrate Earth Day on different parts of the world?
Watch the following video and match the Earth Day activities to the countries!

Tokyo (Japan)

South Africa

Brazil

Hungary

Madagascar

the US

They have a big carnival.

Big festival in the streets

Everyone rides their bicycles.

People adopt an acre of rainforest with a simple donation.

People go to the parks and plant baby trees.

Mother Earth Day

4. This last video is about the three magical Rs. Match your kind help to the magical Rs!

Reduce = Csökkents!

Reuse = Használd többször!
Gondold újra!

Recycle = Gyűjtsd szelektíven!

less plastic (plastic bags)

turn off the light

Be creative!
Use old stuff for your projects!

print out less

put paper, plastic, glass, organic waste in their containers
