

22nd April – It's Earth day! Go green!

Be kinder to the environment!

1. Watch the video and then answer the questions. <https://www.youtube.com/watch?v=dk8zDjQT0aE>

How many continents are there on the Earth?

How many oceans are there?

About how many people live on the Earth? (billion means „milliárd” in Hungarian!)

billion.

2. Listen to the song! Which is the biggest continent? Put them in the correct order. Start with the biggest!

North America

South America

Africa

Antarctica

Australia (Oceania)

Europe

Asia

4

5

6

7

3. How do people celebrate Earth Day on different parts of the world?

Watch the following video and match the Earth Day activities to the countries!

Tokyo (Japan)

They have a big carnival.

South Africa

Big festival in the streets

Brazil

Everyone rides their bicycles.

Hungary

People adopt an acre of rainforest with a simple donation.

Madagascar

People go to the parks and plant baby trees.

the US

Mother Earth Day

4. This last video is about the three magical Rs. Match your kind help to the magical Rs!

Reduce = Csökkents!

less plastic (plastic bags)

turn off the light

Reuse = Használd többször!
Gondold újra!

Be creative!
Use old stuff for your projects!

print out less

Recycle = Gyűjtsd szelektíven!

put paper, plastic, glass, organic waste in their containers
