

Números del 0-9

Cuenta y marque el numeral que corresponde a la cantidad de animales que se muestra en cada gráfico.

Cuenta y escribe en el el número de prendas de vestir de cada clase.

Escriba en el cuántos objetos hay en cada caso

Cuenta los elementos de cada conjunto y únelos con su correspondiente número.

The worksheet contains three sets of items for counting and matching:

- Set 1 (Musical Instruments):** A rounded rectangle containing 7 items: a guitar, a trumpet, a saxophone, a drum, a violin, a tambourine, and a clarinet.
- Set 2 (Colorful Splashes):** An oval containing 8 items of various colors: grey, black, orange, blue, green, yellow, red, and brown.
- Set 3 (Cartoon People):** A rounded rectangle containing 8 items: four men and four women of different ethnicities and clothing.

To the right of these sets are three numbered circles for matching:

- Circle 7
- Circle 8
- Circle 9

A faint watermark "specializ..." is visible on the right side of the worksheet.

Relacione correctamente el gráfico con la cantidad.

1	2	3	4	5
6	7	8	9	10
