

TOP 15 WAYS TO DEFEND YOURSELF AGAINST A THIEF

1. What ways to protect the house from the burglars do you know?

Watch the video and mark these statements as T or F.

1. It is a good idea to have some special code words for an emergency case.
2. If you do not have an opportunity to escape the house, prepare a safe room inside.
3. Try to make as much noise as you can to scare the burglars away.
4. You should not call the police, just do anything in order the burglars not to notice you and leave as soon as possible.
5. Use a pepper-spray if you have it.
6. Use a gun if you have it.
