

Love you like a love song

By Selena Gomez

1. Choose the correct option.

It's been said and done
Every **beautiful** / **ugly** thought's been already sung
And I guess **today** / **right now**, here's another one
So your melody will **play** / **listen** on and on, with the best of 'em
You are beautiful, like a dream come alive, **fantastic** / **incredible**
A centerfold miracle, lyrical
You saved my **life** / **day** again
And I want you to know, baby

[Chorus]

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep hitting repeat-peat-peat-peat-peat (oh)
I, I love you like a love song, baby (oh)
I, I love you like a love song, baby (oh)
I, I love you like a love song, baby (oh)
And I keep hitting repeat-peat-peat-peat-peat

2. Match the words in bold to the pictures.

Constantly, **boy** you played through my mind like a symphony
There's no way to describe what you do to me
You just do to me, what you do
And it feels like I've been **rescued**
I've been set **free**, I am **hypnotized** by your destiny
You are magical, lyrical, beautiful
You are, and I want you to know, baby

[Chorus]

3. Order the sentences.

Music to my heart that's what you are
A song that goes on and on
You stand alone, to every record I own
No one compares

- 1 _____
- 2 _____
- 3 _____
- 4 _____

[Chorus]
