SPRINGHILL SCHOOL

Welcome to Springhill School. On this web page, you can learn about the amazing activities we do after school.

Hi. My name's Sheona and my favourite activity is Gaelic football. It's a traditional sport in Ireland. Do you know that you can carry the ball in your hands? You can hit and kick the ball, too. I play Gaelic football with my friends every Friday afternoon.

Hello, I'm Pat. I love music and I play a tin whistle in my free time. This traditional instrument is small, but it makes a lot of noise. I practise with my friends every Thursday afternoon and we have a concert in the summer. It's good fun!

My name's Teresa and my favourite activity is Irish dancing. I go to a dance class every Monday and Wednesday after school. It's good fun because we skip and jump a lot. We wear traditional dresses, too. They're beautiful.

Hi, I'm Liam. Hurling is a traditional sport in Ireland and I play it in my free time. I practise on Tuesday evenings and I play in competitions. I'm very good at running and passing the ball. I always wear a helmet.
