The Hoax Call (page:60)

It was a day that I'll always _____,
At the _____ though, it was just like any other,
But it was the day when I lost everything that I loved,
My _____, my sisters and brother.

The _____ that I always hang around with,
They're just some _____ from my school that I know,
We were bored and generally fed up,
We had no _____ and nowhere to go.

I can't remember who _____ had the idea,
But it seemed that it might be a _____,
To ring through on a 999 number,
And get the fire engines out to a _____ call.

Whoever it was first decided,
They also thought that the _____ should be me,
I was always _____ at imitating voices,
So I was the _____ choice, you see.

We used the _____ box right near the station,
Where we had a good _____ all the time,
Then, waving for silence to the rest of my _____,
I picked up the phone and dialled '999'.

Less than one _____ later, the doors opened,
Lights flashing, sirens blaring and all,
We watched the _____ engines scream out of the station,
Going to our emergency hoax _____.

Soon after the group separated,
We all went our _____ ways,
But when I got to the end of the _____ where I live,
My _____ was already well and truly ablaze.

Just then a fire _____ came around the corner,
But too late for anything to be done,
My _____ and all our possessions,
Even my beloved _____ had gone.

The _____ came up beside me,
And gathered me in _____ with his arm,
'I'm sorry, Son, we'd have been here much sooner,
But we were called out to a false _____.'

So I ruined my _____ as well as my future,
And my _____ is now far from a ball,
I still cry for my family, they'd all still be here,
It only I'd not made that _____ hoax call.
