The York Castle Museum Spend a day out in history!

A Most museums present major historical events and famous people. But what about ordinary life in the past? At York Castle Museum visitors experience how people used to live at different times in history. We create daily living in the past.

B Take a stroll down Kirkgate, a Victorian street and into the past. The street comes to life and visitors experience how people lived in Victorian times by exploring various shops, a schoolroom and Victorian homes.

C Interested in fashion? If so, then take a look into the wardrobes of the past. Our costume collection is one of the largest in Britain. It includes men's, women's and children's clothing and accessories at different points in history.

D Journey into the more recent past with a look at the 1960s. This was a time of change and extraordinary events. We examine all parts of life back then from art, music and fashion to politics and social change. It's a fun and unusual trip back in time.

E Criminals of all sorts are waiting for visitors at the York Castle Prison. Learn about the notorious prisoners that stayed at this famous prison. Visit the cells and hear the prisoners tell their stories.

F Almost everyone likes ice cream. How has this delicious sweet developed over time? We take visitors through the history of ice cream making from it's beginning in the 17th century right up to modern times.

G Wars are a part of history. Travel back to the Second World War and see how it affected the everyday lives of people. We show the wartime problems and how people managed in such difficult circumstances.

H Explore the many ways people kept themselves and their houses clean in the past. Check out the evolution of cleaning materials and machines. It's a fascinating look at the challenges people faced to keep clean.
