The house / club isn't the best place to find a lover

So the bar is where I go / goes

Me and my friends at the table doing shots

Drinking last / fast and then we talk slow

Come over and start up a conversation with just me

And trust me I'll give it a chance now

Take my hand / hands , stop, put Van the Man on the
jukebox

And then we start to dance, and now / know I'm singing
like

Girl, you know / now I want your love

Your love was handmade for / four somebody like me

Come on now, follow / sollow my lead

I may be / bee crazy, don't mind me

Say, boy, let's / rest not talk too much

Grab on my waist and put that body / buddy on me

Come on now, follow my lead

Come, come on now, follow my lead

I'm in love with the shape of you

We push and pull like a magnet do / too

Although my heart is falling too

I'm in love with your body

And last night / right you were in
