

"Last Kiss" by Pearl Jam

Oh where, oh where can my baby be?

The Lord _____ (take) her away from me.

She's gone to heaven, so I've got to be good,

So I can see my baby when I leave this world.

We _____ (be) out on a date in my daddy's car,
we hadn't driven very far.

Up in the road, straight ahead,

a car was stalled, the engine was dead.

I couldn't stop, so I swerved to the right.

I'll never forget, the sound that night--

the screaming tires, the busting glass,

the painful scream that I _____ (hear) last.

Oh where, oh where can my baby be?

The Lord _____ (take) her away from me.

She's gone to heaven, so I've got to be good,

So I can see my baby when I leave this world.

When I _____ (wake up), the rain _____ (pour) down.

There _____ people _____ (stand) all around.

Something warm flowing through my eyes,

but somehow I _____ (find) my baby that night.

I lifted her head, she _____ (look) at me and said

"Hold me darling just a little while."

I _____ (hold) her close, I kissed her--our last kiss.

I'd found the love that I _____ (know) I would miss.

Well now she's gone, even though I hold her tight.

I _____ (lose) my love, my life-- that night.

Oh where, oh where can my baby be?

The Lord _____ (take) her away from me.

She's gone to heaven so I've got to be good,

So I can see my baby when I leave this world.
