Unit 5

1 You can put these in your ears to listen to music, so only you can hear it.
2 You need these so you can see the people who are on stage.
3 This is something you can use to make calls, send texts, or use apps.
4 This is what you need to watch a film or TV on.
5 This is something you need when you want to record a film.
6 This is something a lot of people enjoy. You can dance to it as well!
7 You can do this with a camera, or with a mobile phone.

Unit 5

1 You take photos with this and can look at them on a screen.
2 This is a computer you can take with you everywhere you go.
3 This is what singers use to make their voice louder.
4 This is something that projects films onto a screen.
5 You need these if you want your music to be really loud.
6 This is when you move your fingers across an instrument with six strings to make music.
7 This is when you can go meet a band or singer after their concert.
