

"The King of Kites"

LISTENING WORKSHEET

1. Based on the voice messages sent, match the correct text with the correct picture.

Anil helped his mother to go to the market and buy things.

Anil wants to fly twelve kites for a wedding. He is the King of Kites in his village.

Anil was able to fly all twelve kites for the wedding. They were all very happy.

However, his mother, the Queen of Needle wanted Anil to help her with sewing.

Anil's mother helped him to decorate the kite with extra ribbons and sequin.

One day, Anil's friends gave kites to him. They want to see twelve kites for the wedding.
