

Sean My computer won't turn on. Do you know what the problem is?  
 Mark I wonder if there's something wrong with your power cord.  
 Sue Mine did that, and I called tech support. But I can't remember what they said.

Cara I can't get on the Internet. Do you know what I should do?  
 Anita I wonder if you accidentally turned off the wireless connection. Let me see.

Olivia I don't know what the problem is, but I can't print anything.  
 Tom The last time that happened to me, I got the answer on a website. But I have no idea which site I used.

Pam There's something wrong with my tablet. It keeps freezing up. I have no idea why it's doing that.  
 Sally Do you know if the battery's charged?  
 Peter I wonder if you have a virus. Try running your antivirus software.
